Foreword 序言

Volume 12, Issue 1 / Dec 2025 – May 2026

亲爱的家长们：

教育是一项伟大的事业，更是一场爱的同行。在孩子成长的道路上，学校与家庭就像鸟儿的两只翅膀，缺一不可。我们深信，唯有学校与家长携手合作，才能帮助孩子健康成长，培养良好的品德与正确的人生观。

一直以来，慈爱三好学校不仅重视孩子们的学业发展，更重视品德教育。我们希望孩子们能够学习做好事、说好话、存好心，在日常生活中实践关爱、尊重与感恩，让善良成为一种习惯，让品德成为一生受用的财富。

然而，品德教育不仅仅是学校的责任，更需要家庭的配合与支持。父母是孩子人生中的第一位老师，也是影响孩子最深远的人。孩子的一言一行，往往来自于日常生活中的观察与学习。因此，家长的身教与陪伴，对孩子品格的塑造具有不可取代的重要作用。

我们期待家长们能够在家庭生活中，以爱与关怀陪伴孩子成长，鼓励他们诚实守信、尊敬长辈、关爱他人，并在面对困难时培养责任感与坚毅的精神。当学校与家庭秉持相同的教育理念，共同为孩子树立正确的价值观时，孩子将能在充满爱的环境中茁壮成长。

教育不仅是知识的传授，更是品格的培养。让我们携手努力，为孩子创造一个充满温暖、关怀与正向力量的成长环境，让他们学会感恩、懂得付出，并成为有品德、有智慧、有担当的人。

感谢各位家长一直以来对学校的支持与信任。让我们共同陪伴孩子走过成长的每一步，为他们的未来奠定坚实而美好的基础。

敬祝

身体健康、六时吉祥

Dear Parents/Guardians,

Education is a noble mission and a journey we undertake together with love. In a child's growth and development, the school and the family are like the two wings of a bird—both are equally important and indispensable.

We firmly believe that only through close collaboration between the school and parents can children grow up healthy, develop strong moral values, and build a positive outlook on life. At Ci Ai Three Acts of Goodness School, we have always placed great emphasis not only on our children's academic progress but also on character development. We encourage our children to practise the Three Acts of Goodness—Do good deeds, Speak good words, and Think good thoughts. Through these values, children learn to show care, respect, and gratitude in their daily lives, allowing kindness to become a habit and good character to become a lifelong treasure. Character education, however, is not solely the responsibility of the school. It requires the active support and partnership of families.

Parents are a child's first teachers and the most influential role models in their lives. Children often learn through observation and imitation of those around them. Therefore, the example set by parents and the quality time spent with their children play an irreplaceable role in shaping their character and values.

We encourage parents to nurture their children with love and care at home, guiding them to be honest and trustworthy, respectful towards elders, compassionate towards others, and resilient in the face of challenges. When schools and families share the same educational values and work together to instil positive character traits, children can flourish in a nurturing and supportive environment. Education is not merely the transmission of knowledge; it is also the cultivation of character. Let us continue to work hand in hand to create a warm, caring, and positive environment where our children can learn gratitude, understand the joy of giving, and grow into individuals of integrity, wisdom, and responsibility.

We would like to express our heartfelt appreciation to all parents for your continued support and trust in our school. Together, let us accompany our children through every step of their growth and lay a strong and beautiful foundation for their future.

Wishing you and your family good health, peace, and blessings at all times.
